

Two-Day Supportive Housing Training for Homeless Veteran Housing and Service Providers

The Corporation for Supportive Housing (CSH) has subcontracted with the National Coalition for Homeless Veterans to provide targeted technical assistance around the topic of permanent supportive housing for homeless veterans to its member base of homeless service providers.

Based on recent events including the allocation of 10,000 HUD-VASH vouchers in 2008 there is an increased momentum around the development and operation of permanent supportive housing for homeless veterans. To assist in building the capacity of homeless veteran housing and service providers CSH will be providing two-day trainings on a regional basis.

The first day will consist of a basic overview of how to develop process in permanent supportive housing, moving from providing transitional to permanent housing, property management and service coordination.

The second day will consist of a morning session dedicated to the overview of supportive housing budgets and an afternoon session focused on operating budgets and effective service strategies in supportive housing.

The dates and locations for the trainings are as follows:

- **Western Region Los Angeles, CA January 14-15, 2009**
- **Eastern Region Newark, NJ February 18-19, 2009**
- **Central Region Chicago, IL March 10-11, 2009**

Registration: FREE

Includes: Breakfast and Lunch both days as well as Materials
